Objective

I am a Junior Full-Stack Developer with a passion for web development, and I am actively seeking part-time job, full-time job, or internship opportunities to further enhance my skills and gain valuable experience in the field. I am eager to contribute to dynamic projects, collaborate with talented teams, and continue my professional growth in the world of web development. If you have an opportunity that aligns with my profile, please feel free to reach out.

Experience

Freelance Web Developer | Sep 2021 - Present

- Worked on Backend and Frontend using different languages and platforms including: NodeJS, Express, PHP, Laravel, SQL, Javascript, React and Bootstrap

Full-Stack Web Developer | Nov 2022 - Sep 2023

Codi Tech | Beirut, Lebanon

- Worked on various Backend of projects using different languages and platforms including: NodeJS, Express, PHP, Laravel, and SQL
- Worked on different projects as Frontend using different languages and open sources including: Javascript, React, and Bootstrap
